

HALAL COMPLIANCE STATEMENT

To whom it may concern,

OrganicCrops E.I.R.L. hereby declares that, while OrganicCrops products are not Halal certified, the products listed below are manufactured in accordance with the general principles of Halal food production as defined under Islamic dietary law (Shariah) and referenced in applicable Halal standards, including but not limited to GSO Halal Standards, MS 1500 (Malaysia), and relevant MUI Halal guidelines.

Statement of Compliance.

Based on ingredient review, supplier documentation, and internal process controls, OrganicCrops confirms that:

- All listed products are derived exclusively from plant-based raw materials.
- No ingredients of animal origin are intentionally used, including pork, porcine derivatives, blood, or animal-derived fats, enzymes, emulsifiers, or processing aids.
- Ethyl alcohol, ethanol, and alcohol-based solvents are not used as ingredients or processing aids at any stage of production.
- Production, handling, storage, and transportation are managed to avoid contamination with non-Halal materials, including najis substances, in accordance with good manufacturing and hygiene practices.
- Raw materials are sourced from suppliers that provide declarations supporting Halal suitability of ingredients.
- No genetically modified microorganisms or fermentation processes involving non-Halal media are used.

This declaration is issued in good faith and is supported by:

- Product formulations and ingredient specifications
- Supplier declarations and technical documentation
- Process flow and hygiene control procedures
